

About the State Hiring Process:

State hiring is done through competitive examinations conducted by one of the 100+ State departments, or by the State Personnel Board.

Examinations open to the public are listed on our Internet website in the "Jobs Open to the Public" section.

Resumes are accepted for certain jobs and locations. These are listed on our website under "Immediate Openings - Resumes Wanted." Please do not send any resumes to the State Personnel Board for jobs not listed in the "Resumes Wanted" section. We cannot provide individual job assistance or career counselling. All of our employment information is on our website.

How to reach SPB on the Internet

Connect to:
<http://www.spb.ca.gov>

***At Home - Use your own
Internet access to connect to
www.spb.ca.gov***
